SCHOLARSHIPS AND AWARDS

GENERAL SCHOLARSHIPS

Academic Merit Scholarships (AMS)
AMS scholarships are awarded to students who have shown high academic achievement in high school. Students are awarded AMS scholarships based on cumulative GPA, SAT/ACT scores, state exams and extracurricular activities. Three levels of AMS Scholarships are awarded:

- Presidential: $8,000 per year for a maximum of four years. Student must be enrolled full time, live on campus, and maintain a GPA of 3.0 or higher.
- Dean: Covers cost of in-state tuition for a maximum of four years. Student must be enrolled full time and maintain a GPA of 3.0 or higher.
- Mustang: Awards range from $500-$3,000 a year for a maximum of four years. Student must be enrolled full time and maintain a GPA of 2.5 or higher.

Applicants are reviewed for AMS Scholarships on receipt of their application. If the student is determined eligible, a scholarship application will be included with their acceptance packet. For more information, please call the Admissions Office at 315-684-6046 or email admissions@morrisville.edu. Scholarship recipients will be notified after January 1.

Interstate Scholar’s Program
Morrisville State College prides itself on offering excellent hands-on academic programs at an affordable cost. The Interstate Scholars Program awards ten deserving out-of-state students the opportunity to reduce their tuition costs. Recipients receive $3,000 towards tuition and fees for a maximum of four years. Students must maintain at least a 2.5 cumulative GPA while enrolled.

To be eligible, students must:
- Be a first time freshman
- Non New York State Resident
- Have at least an 85 High School GPA, combined math and verbal SAT scores of 950 and/or an ACT composite score of 21.

For more information, please call the Admissions Office at 315-684-6046 or email admissions@morrisville.edu. Scholarship recipients will be notified after January 1.

Steps to Success Scholarship
Ten $500 scholarships will be awarded per academic year to those students who may fall below the academic requirements of our AMS scholarships. Through academic improvement and success, students will be able to receive a $500 increase in their scholarship per year for four years.

To be eligible, students must:
- Be a full time freshman
- Maintain a cumulative GPA of 3.0. If the GPA requirement is not met, the student will lose the scholarship indefinitely.

For more information, please call the Admissions Office at 315-684-6046 or email admissions@morrisville.edu. Scholarship recipients will be notified after January 1.

Transfer Scholarships

Fill out the Transfer Scholarship Application to apply for the transfer scholarships (http://www.morrisville.edu/financial_aid/awards.aspx).

Phi Theta Kappa (PTK) Scholarship
Students who are active members of Phi Theta Kappa are encouraged to apply for a PTK Transfer Scholarship. Criteria include the completion of an associate’s degree at another college and a minimum of a 3.7 grade point average. Scholarships are competitive and award full tuition per year for two years. Morrisville State College awards two PTK scholarships per academic year.

MSC Neighboring Community College Award
Transfer students who have obtained an associate’s degree and are enrolling at MSC for a bachelor degree program, may be eligible for $4,000 per year for two years towards tuition and fees if they maintain a 3.0 cumulative GPA or higher at MSC. Students must have at least a 3.0 or higher from the following neighboring community colleges:

- Mohawk Valley Community College (MVCC)
- Onondaga Community College (OCC)
- Herkimer County Community College
- Tompkins Cortland County Community College (TC3)

For more information, please call the Admissions Office at 315-684-6046 or email admissions@morrisville.edu. Scholarship recipients will be notified after January 1.

External Transfer Scholarship
Students who are transferring into a bachelor degree program at Morrisville State College may apply for a $3,000 annual award for two years. Criteria include the completion of an associate’s degree at another college and a minimum of a 3.0 grade point average. For more information, please call the Admissions Office at 315-684-6046 or email admissions@morrisville.edu. Scholarship recipients will be notified after January 1.

Children of Employee Awards
This scholarship is awarded to any returning Morrisville State College student (in any academic program) or graduating senior transferring to a four-year program at Morrisville State College. The award is based on merit (academic standing of at least 3.0), financial need, and a combination of leadership and community service. For more information or an application, call the Institutional Advancement Office, Brooks Hall, by calling 315-684-6020. Awards are given for the fall semester only and may be applied for each year. Deadline to apply is July 15 of each year.

Alumni Awards
Morrisville State College Alumni/Development sponsors a school awards program in each of the college’s academic schools and one each for a male and female athletic team. Each award is made during the spring semester.

The Alumni Legacy Awards program recognizes students whose parent(s), guardian(s), or grandparent(s) are alumni of Morrisville State College. Applications for Alumni Legacy Awards are available at the Alumni Development Office, Brooks Hall. The deadline is April 1 of each year.

MCF Raymond L. Banks Endowed Scholarship
This scholarship is available to any returning Morrisville State College student (in any academic program) or graduating senior transferring to a four-year program at Morrisville State College. The award is based on merit (academic standing of at least 3.0), financial need, and a combination of leadership and community service. For more information or an application, call the Institutional Advancement Office, Brooks Hall. The deadline is April 1 of each year.

MCF Floyd L. Beebe Memorial
The Floyd L. Beebe award was created by Professor Robert Beebe in memory of his father. This award recognizes a full-time student at the Morrisville campus who meet the following criteria: Academic merit – must have a 3.25 or higher cumulative GPA, show financial need, goes above and beyond, and must be enrolled in one of the following degree programs: Accounting A.S., A.A.S.; Agricultural Business A.A.S.; Agricultural Business Development
programs. Although the scholarship is renewable to allow for continuity, a student may not be a member or relative of the Alpha Delta Mu Fraternity. A personal essay is required with the application answering the following question: How has music affected or been part of your life? A high school transcript for incoming freshmen, a college transcript for existing college students, is required with the application. Applications are available at the Office of Institutional Advancement, Brooks Hall. The deadline to apply is September 1 of each year.

MCF Taze Huntley Memorial Scholarship
Good citizenship, academic merit, campus involvement and good character are criteria for selecting winners of this scholarship, named for the popular former faculty member. All students are encouraged to apply, during the fall semester, through the Office of Institutional Advancement, Brooks Hall, or call 315-684-6020. Deadline is November 15 of each year.

MCF Paul Petreikis Scholarship
This fund was established by the estate of Paul Petreikis and will be awarded to three students who meet the financial assistance requirements and academic GPA of 2.0 or higher. For information, contact the Institutional Advancement Office at 315-684-6020. The application deadline is April 1 of each year.

MCF Kenneth R. Spratt Memorial Scholarship
This scholarship provides one merit award per year to a student from the Central New York area who meets the financial assistance requirements. The award will cover the traditional academic year and will be utilized for academic pursuits in the form of tuition, fees, and/or books. For further information, call the Institutional Advancement Office, Brooks Hall, 315-684-6020. Deadline is April 1 of each year.

MCF P. Daniel Stevens Memorial Scholarship
This fund was established in 1994 by the Canterbury Riding Club and Pony Pals, two 4-H clubs from Onondaga County, with proceeds earned from the jointly sponsored Central New York Junior/Amateur Horse Show. The scholarship, awarded by the Office of Institutional Advancement, is named in memory of one of the original show coordinators. This scholarship is presented to a student from the Central New York area who has previous 4-H experience and is enrolled in Natural Sciences, Agricultural, or Nursing programs. Although the scholarship is renewable to allow for continuity, application will take place annually. For further information, contact the Office of Institutional Advancement, Brooks Hall, 315-684-6020. The application deadline is November 15 of each year.

MCF Technology Services Thomas A. Burt Memorial Award
Technology Services is pleased to announce that we will be awarding a new Lenovo ThinkPad laptop (with standard software package) to an incoming freshman in any required laptop major. Qualified applicants must have a cumulative high school average of 85 or higher.

Applications can be printed and should be filled in completely. Student must also submit a letter of recommendation from a teacher, guidance counselor, or work supervisor. All completed applications must be postmarked no later than July 31st. All applications must be filled out by the student, including the signature and date. Incomplete applications and applications deemed not filled out by the student will not be accepted. There will be no exceptions. The award committee will review applications, make a final decision, and notify the winner by mid-August. The laptop will be awarded during Welcome Days Laptop Distribution. To keep the scholarship the student must maintain a cumulative GPA of 3.0 and remain in "Good Standing".

MCF Dr. Henry Washington Award
Students will be nominated for the award by a committee comprised of staff from the Syracuse Educational Opportunity Center (EOC) and the College’s Educational Opportunity Program (EOP). Eligible nominees will be members of a minority group who have been enrolled at the EOC who are going to attend Morrisville State College. In the absence of an EOC student attending Morrisville, current EOP students will be eligible. The award recognizes the achievements of Dr. Henry Washington, one of Syracuse’s first black physicians and an active member of several community organizations. Information regarding this award can be obtained from the College’s EOP Office, 315-684-6075.

Empire State Minority Honors Award
Students with a record of high academic achievement who are from under-represented minority groups are eligible for this award funded jointly by the State University Central Office and the campus. Application is limited to New York residents enrolled in degree programs who are members of historically under-represented minorities (African American, Native American, Hispanic American, or Alaskan American). Information regarding applications for this award can be obtained from the EOP Office. Call 315-684-6075.

The New York State Federation of Home Bureaus, Inc.
The New York State Federation of Home Bureaus, Inc. sponsors a Food, Hospitality, and Travel Management scholarship in honor of Florence W. Husson and a Nursing and a Dietetic Technician scholarship on behalf of Chenango County to a returning senior who meets the qualifications of scholarship, need, leadership, and residence in a county where the Federation of Home Bureaus, Inc. has an organized chapter. Call your School office for specific information.

MAC Awards
The Morrisville Auxiliary Corporation offers bookstores awards, known as Calvin Dunkle Awards, to both full- and part-time students. Students with a minimum grade point average of 2.0 are eligible to apply. Scholarship recipients are selected by the MAC Awards Committee. Criteria for the awards include other scholarship information, college or public service and citizenship. Applications can be obtained from the Morrisville Auxiliary Corporation, 315-684-6047.

The ThinkPad Award is offered in the spring semester to a second semester freshman with at least a B average in high school and an overall GPA at
SCHOOL OF AGRICULTURE
AND NATURAL RESOURCES

MCF Browns Feed Scholarship
This scholarship is awarded to one student each year who is currently or will be enrolled in an agricultural program at Morrisville State College. The scholarship is awarded based on need and merit. It will cover the traditional academic year and will cover tuition, fees, and/or books. Contact the School of Agriculture and Natural Resources at 315-684-6083 for an application. The application deadline is April 1.

New York State Dairy Princess Scholarship
This scholarship is awarded each year to an incoming young woman who has participated in the New York State Dairy Princess program at the county or state level. Criteria for selection includes strong interest in promoting nature’s most perfect food and the dairy industry as a whole. It will cover the traditional academic year and will cover tuition, fees, and/or books. Contact the School of Agriculture and Natural Resources at 315-684-6083 for an application. The application deadline is April 1.

Agriculture

MCF William L. Carr Scholarship
This scholarship is awarded to a full-time, second year student studying either Agricultural Engineering, Agricultural Mechanics, Agricultural Science, or Diesel Technology. This award is based on a minimum 2.5 GPA and financial need. The application deadline is September 1 of each year. Please contact the Institutional Advancement Office for more information 315-684-6020.

MCF Crane Agricultural Scholarship
This scholarship is intended to encourage and reward academic achievement in selected fields of study in the School of Agriculture and Natural Resources. This scholarship is available to full-time students in an associate degree program with academic majors in Agricultural Engineering, Animal Science - Dairy, Agricultural Science (transfer program), or Agricultural Business (business concentration). The award is based on maintaining a 3.0 grade point average, extracurricular activities, financial need, and interest in the agricultural field. Applications can be obtained in the School of Agriculture and Natural Resources Office, 315-684-6083, and must be completed by April 1.

MCF Merton Evans Scholarship
This scholarship is awarded annually to an incoming freshman agricultural student. The Evans family requests that the successful recipient communicate with them over the course of their Morrisville State College educational experience. Contact the School of Agriculture and Natural Resources at 315-684-6083 for an application. The application deadline is April 1.

MCF Laura Janson Scholarship
The Laura Janson Scholarship recognizes a full-time student enrolled in their second year or higher, in an animal-science related degree at Morrisville State College, with a GPA of 3.0 or higher. A short essay is required describing how your love for other people is affected by your love of animals, along with your experiences in caring for the animals’ needs (from daily barn duties to the extra care/effort you have given to animals). Deadline to apply is April 1 of each year. Please contact the Institutional Advancement Office for an application at 315-684-6020.

MCF I.L. Richer Scholarship
This scholarship provides one merit award per year to a student enrolled in an agricultural program who meets financial assistance requirements. The award will cover the traditional academic year and be utilized for academic pursuits in the form of tuition, fees and/or books. Applications can be obtained from the School of Agriculture or by calling 315-684-6083.

MCF P. Daniel Stevens Memorial Scholarship
This fund was established in 1994 by the Canterbury Riding Club and Pony Pals, two 4-H clubs from Onondaga County, with the proceeds earned from the jointly sponsored Central New York Junior/Amateur Horse Show. The scholarship, awarded by the Office of Institutional Advancement, is named in memory of one of the original show coordinators. This scholarship is presented to a student from the Central New York area who has previous 4-H experience and is enrolled in Natural Sciences, Agricultural, or Nursing programs. Although the scholarship is renewable to allow for continuity, application will take place annually. For further information, contact the Office of Institutional Advancement, Brooks Hall, 315-684-6020. The application deadline is November 15 of each year.

Morrison State College FFA Scholarship

High School Active Member of FFA
• Participated in Chapter activities
• Member of NYS and National Organization

State or National Officer
• Line office or District President
• Prior to Morrisville or during study at Morrisville State College

Eligible for the active member $250 per semester plus a $1000 per semester scholarship. A GPA of 2.5 would have to be maintained to receive the $250 scholarship and a GPA of 3.0 to receive the $1,000. The total value of the scholarship could equal $5,000 for an Associate degree candidate or $10,000 for a Bachelor degree candidate. For more information please contact the Admissions Office at 315-684-6046.

National FFA Scholarship Program
FFA awards more than $2 million annually to FFA members. Scholarship money is provided by corporations from across the United States. The application deadline is April 1.

High School Judging Contest
Winners of high school judging contests hosted by Morrisville State College receive these $250 scholarships. Fifteen scholarships are awarded by the jointly sponsored Central New York Junior/Amateur Horse Show. The application deadline is May 1. Applications can be obtained from the School of Agriculture and Natural Resources at 315-684-6083.

Dairy

MCF Dave Crowley Memorial Scholarship
Awarded annually by the Morrisville Dairy program and the Crowley family to an incoming freshman who has been active in the dairy industry and who has participated in leadership activities. The application deadline is May 1. Applications can be obtained from the School of Agriculture and Natural Resources at 315-684-6083.

MCF Dairy Club Award
The Dairy Club award is presented annually by the Morrisville State College Dairy Club to an incoming freshman who is involved in youth dairy activities on local and state levels. The award is based on involvement in activities,
leadership, and career potential in the dairy industry. The application deadline is May 1. For an application, call the School of Agriculture and Natural Resources at 315-684-6083.

**Diesel Technology**

**MCF Southworth-Milton/Caterpillar Excellence Scholarship**
Since 1998, both Caterpillar Inc. and Syracuse Supply have contributed to a $15,000 scholarship fund which is given to two freshmen and two seniors. These scholarships provide merit awards to students in the Agriculture Engineering or Diesel Technology program who meet educational and financial assistance requirements. For further information contact the School of Agriculture and Natural Resources at 315-684-6083. The application deadline is June 15 for first-year students and September 1 for second-year students.

**MCF Central New York Chapter of the American Truck Historical Society Scholarship**
All individuals who are enrolled in the two-year diesel technology program as full-time students are eligible to apply for this scholarship. A combination of financial need and a minimum GPA of 2.5 are required. The deadline to apply is November 15 of each year. Applications are available in the Institutional Advancement Office, Brooks Hall, 315-684-6020.

**Environmental Sciences**

**MCF Jeffrey Dale Beach Memorial Scholarship**
This award will be given to a student entering his or her senior year who has the highest GPA in the Natural Resource Conservation Program. Please contact the Alumni/Development Office for more information 315-684-6020.

**MCF Kenneth Spafford Willey, Jr. Memorial Scholarship Fund**
This scholarship is awarded annually to one Morrisville State College student who is pursuing a degree in a Natural Resource Conservation/Wildlife Management or related environmental science area of study. Selection criteria include merit, normal progress toward a degree, good character, campus citizenship and wholesome campus involvement. Applications are available in the Institutional Advancement Office, Brooks Hall. Deadline to apply is November 15 of each year.

**Outdoor Recreation Club and Conservation Tri-Society Award**
Students enrolled in an Environmental Science major and participating in either of these clubs are eligible for this award. Application should be made through the respective club advisors, in the fall semester of the second year of study.

**Equine Studies**

**Equine Baccalaureate Scholarship**
These scholarships are awarded by the Equine Institute to bachelor of technology students who complete their associate in applied science degree program. Every bachelor of technology student is reviewed after one year for further consideration. For more information, contact the School of Agriculture and Natural Resources at 315-684-6083.

**Morrisville College Foundation Equine Internships**
This award, open to students who have completed at least one semester, is given to qualified equine students enrolled in the summer programs. Contact the School of Agriculture and Natural Resources for more information at 315-684-6083.

**MCF Richard Bartlett Endowed Scholarship**
This scholarship recognizes a student who has completed their freshman year in Equine Science. GPA is not considered for eligibility. Applications are available at the Office of Institutional Advancement, Brooks Hall, or call 315-684-6020. The application deadline is April 1 of each year.

**MCF Big Apple Deli/Equine Repro Award**
This scholarship recognizes students enrolled in their senior year of the Equine Reproduction BT program at Morrisville State College (during their internship). Applicants must include an essay describing what experiences you feel have benefited you the most about the MSC equine breeding program. Applications are available in the Institutional Advancement Office, Brooks Hall, or call 315-684-6020. Deadline to apply is November 15 of each year.

**MCF Canterbury Stables Equine Scholarship**
This scholarship is awarded to an eligible student athlete entering his or her junior or senior year in a Morrisville State College baccalaureate of technology degree in Equine Science. Strong candidates for this scholarship will have won equitation or hunter classes on the Classic Show Series Circuit and/or any ‘A’ rated horse shows, but priority will be given to those who can articulate the importance of horse management and care. Three references are required and may be obtained from any of the following: your trainer, coach, a horse-owner you have worked with, or a previous or current employer (not including family members). Applications must include a 300 word essay describing the importance of horse management care and the impact it has on your sport horse’s health and performance. Applications are available in the Institutional Advancement Office, Brooks Hall. For more information call 315-684-6020.

**MCF Bridget Kate Publicover Scholarship**
This scholarship is awarded to a student in their sophomore or junior year, majoring in equine with a GPA of 3.0 or higher, be involved in extra-curricular activities or clubs, and submit an essay describing why he/she has decided to pursue a career with horses. Contact the Institutional Advancement Office, Brooks Hall at 315-684-6020 for applications and more information. Deadline to apply is March 23.

**MCF Nancy Sears Stowell Memorial Scholarship**
This scholarship recognizes a student who has completed their freshman year in Equine Science. GPA is not considered for eligibility. Applications are available at the Office of Institutional Advancement, Brooks Hall, or call 315-684-6020. Deadline to apply is November 15 of each year.

**Horticulture**

**Bob Case Scholarship**
This annual award is given to outstanding horticulture students living in Central New York. Contact either the Central New York Nursery and Landscape Association at 315-476-1307, or Grant Jackson at 315-684-6663. Apply online at cnysla.org. Deadline: May 15.
Federated Garden Clubs of New York State Award
The Federated Garden Clubs of New York State, Inc. offers a scholarship to students interested in Horticulture or related topics, who are attending their first or second year of a two-year college. The goal of the organization is to encourage Horticulture students to continue their education in their field of interest. For more information contact Grant Jackson at 315-684-6663 or www.fgcnys.com. Deadline: March 1.

MCF The Horticulture Department/John Alden Haight Memorial Scholarship
Based on a faculty recommendation, the John Alden Haight Scholarship is presented to a second-year student who has contributed significantly to the Horticulture Department. The scholarship is funded by donations in memory of John Alden Haight and by donations to the Horticulture Department Scholarship Fund. No application is necessary.

MCF Art & Holly Hicks Scholarship
This annual award is given by the Morrisville State College Florida Alumni Chapter to a non-traditional Horticulture or Dietetics student who shows academic achievement, citizenship, and campus involvement. Applications are available in the Office of Institutional Advancement and are due by April 1 of each year.

National Garden Clubs Award
The National Garden Clubs, Inc. offers a scholarship of up to $3,500 for students with junior, senior, or graduate standing and at least a 3.25 GPA. Students must be enrolled in Horticulture or a similar program. The National Garden Clubs considers education to be one of its top priorities. For more information contact Grant Jackson at 315-684-6663 or go to www.gardenclub.org. Deadline: March 1 of each year.

New York State Flower Industries Association Award
This award is given to an outstanding graduating Horticulture student who is entering the flower industry. No application is necessary. For more information, contact Professor David Soucy at 315-684-6772.

New York State Turf-grass Association Awards
Student members of the New York State Turf-grass Association are eligible to receive various awards that this association presents on a yearly basis. Contact the New York State Turfgrass Association for more information at www.nyista.org, 518-783-1229 or contact Grant Jackson at 315-684-6663.

Peter Gasparini Memorial Award
Central New York horticulture students are eligible for the annual $1,500 award presented to students demonstrating outstanding academic achievement and professional motivation. Contact the Central New York Nursery and Landscape Association at 315-476-1307, or Grant Jackson at 315-684-6663. Apply online at cnysnla.org. Deadline is November 15.

SCHOOL OF BUSINESS

Accounting

MCF The Accounting Excellence Award
This annual award will be given to a part-time student pursuing a career in accounting. The applicant must maintain a grade point average of 3.0 or higher. It will be awarded for the spring semester. Determination is made by the originator, and the chairperson of accounting. Contact the Institutional Advancement Office for more information at 315-684-6020. Deadline to apply is April 1 of each year.

MCF Nancy Ambrose Memorial Scholarship
This scholarship is named for a former Morrisville College Foundation board member and provides one merit award per year to a second-year accounting student who meets the financial assistance requirements, has completed one year at Morrisville State College and holds a grade point average of 2.5. For further information call the Institutional Advancement Office at 315-684-6020. Deadline to apply is April 1 of each year.

MCF R. Bruce Wise Memorial Scholarship
Named for the longtime accounting professor at Morrisville, this award recognizes the achievement of a student in the accounting program. The winner must have completed the first year at Morrisville and be registered for the second year, must show scholarly ability and acceptable levels of maturity, and must not have received any other award from the Morrisville College Foundation. For more information contact the Institutional Advancement Office at 315-684-6020. Deadline to apply is April 1 of each year.

Business Administration

Key Bank of Central New York
This award recognizes a New York state resident with academic merit of 2.5 GPA or higher, good character, financial need, and a history of community involvement. Call 315-684-6020 for more information.

Computer and Information Technologies

MCF Marilyn and Larry Baker Scholarship
This scholarship recognizes a returning student who has completed a minimum of one semester of study in a School of Business curriculum and has a GPA of 2.75 or higher. Priority will be given to students enrolled in the Information Technology Program. Applications are available in the Institutional Advancement Office, Brooks Hall. The deadline to apply is April 1 of each year.

Robert A. Capparelli Memorial Award
This award is named for the former Madison-Oneida BOCES teacher, and goes to a graduate of Madison-Oneida BOCES who plans to enter the program in Computer Information Systems at Morrisville. A BOCES committee comprised of faculty and administrators choose the recipient, who must complete study for a high school diploma. The award amount varies. Call 315-684-6020 for more information.

Information Technology Transfer Scholarship
To recognize and support students with proven academic ability and good citizenship, scholarships of $1,000 per year are awarded to all eligible junior- and senior-level students in the Information Technology bachelor degree program. Eligible students must have completed at least 60 credit hours of collegiate study with an overall GPA of 3.0 or better, be within five semesters of completing all graduation requirements for the IT degree including the internship experience, be enrolled as a full-time student in good standing, and maintain a 3.0 or better average during their junior and senior years of study. For more information, e-mail it@morrisville.edu or call 315-684-6056.

Office Technology

MCF Beverly and David McKay Office Technology Award
This award is funded by a former Office Technology teacher and department chairperson and her husband. Applicants must be full-time Office Technology students with at least one full semester remaining at Morrisville State College, hold a GPA of 2.75, and demonstrate their written communication skills.
Applications for this award may be obtained from Office Technology faculty. Call 315-684-6022 for more information.

The Syracuse branch also offers additional scholarships. For Applications Contact: Dr. Joan Johnson or the IFSEA Web site at IFSEA.com.

**MCF H.C. Hemingway & Co. Scholarship**
The H.C. Hemingway & Co. Scholarship is a Presidential Scholarship in the name of H.C. Hemingway and in the memory of the Hemingway family, who were prominent food processors instrumental in establishing the food processing curriculum at Morrisville State College. Four generations of Hemingway’s carried on the family business and the family name has long been revered in the industry not only in New York State but nationwide. The scholarship is made in the fall to an incoming freshman residential student. Criteria for the award include enrollment in Agricultural Business or Agricultural Science with a general transfer concentration, agriculture concentration, or an agricultural technology concentration, a high school grade point average in the higher percentile with a high SAT score, and involvement in the community. The student will also have to maintain a 3.0 grade point average while at Morrisville State College. Applications are available in the spring semester from the Office of Institutional Advancement, Brooks Hall, 315-684-6020. The award amount varies with a minimum of $1,000.

**MCF The Thomas V. Ciarrrocchi Scholarship**
Given by this member of the Class of 1947, this scholarship rewards a student for academic achievement, good moral character, leadership, and interest in a food service vocation. A faculty committee chooses the annual recipient. The award amount varies. Applications are available by contacting the School of Business at 315-684-6056.

**MCF Bert Hundredmark Scholarship**
This scholarship was created in memory of Bert Hundredmark who passed away after 41 years of service to the college as Assistant Professor, Food Service Administration. This award is available to Hospitality Technology major students and will be chosen by the faculty of that program. Please contact the School of Business if you have any questions 315-684-6056.

**MCF The New York Hotel, Matt Morgan Scholarship**
This scholarship, named for the college council member who endowed the fund, is awarded to a hospitality technology student based on faculty recommendation.

**MCF Lounette Curnalia Rosebrooks/Class of 1916 Scholarship Fund**
This fund was started by Mrs. Lounette Curnalia Rosebrooks on behalf of herself and her graduating class of 1916. The award is given annually to a student in Institutional Food Management, Restaurant Management, or Food Service Administration. The award is an endowed scholarship and the amount varies.

**MCF The Laura L. Symonds Scholarship**
This scholarship is awarded to Morrisville State College food service students pursuing a career in the food service industry or a related field. Selection is made by the Hospitality Department.

**The National Assoc. of College and University Food Services, Region 1**
Each year, two awards are offered to students who have commendable academic records and plan to pursue a career in college food services. The approximate award is $500. For an application, visit www.nacufs.org.

**Council of Hotel, Restaurant, Institutional Educators**
These $500 awards are given to students majoring in a hospitality-related field who are enrolled in a HRI program in this region. For applications, see www.CHRIE.org.
Network of Executive Women in Hospitality, Inc.
These awards are offered to women who have a minimum 3.0 GPA. For an application write to:
NEWH, Inc.
584 Broadway, Suite 602
New York, N.Y. 10012

New York State Restaurant Association Award
Students in a food service program are eligible for this $500 to $1,000 award. Applications are available by contacting: www.nysra.org

New York State Hospitality and Tourism Association Award
NYSHTA provides a scholarship to a senior with an interest in the hospitality industry, based on scholarship, financial need and commitment to his or her academic program. Contact www.nyshta.org

The New York State Federation of Home Bureaus, Inc.
Please see complete information on this award under General scholarships.

Tourism Cares Academic Scholarship

SCHOOL OF LIBERAL ARTS

Journalism

MCF The Camera-Ready Award
Established in 2002, this award recognizes excellence in photography or graphic design.

MCF The Faculty Award
This award is given to the person who has shown the greatest professional growth or improvement during his or her two years at Morrisville State College.

MCF The Founder’s Award
Given in tribute to Gerald A. Leone, the program’s founder, this award is given in each production lab for leadership and significant contributions to that lab.

MCF The Jim Kenyon Award
for Broadcasting Excellence
This award is given to the WCVM student who shows the greatest promise in a broadcasting career. The award is named for the 1969 alumnus, now an investigative reporter for WSTM-TV in Syracuse.

MCF The J.J. Leone Memorial Award
This award is presented to a student based on academic achievement, character and contributions to the college and the journalism program. The award, given by the family of the retired department chair, Jerry Leone, honors the memory of Jerry’s father who worked more than 25 years as a printer for the Rochester Democrat & Chronicle.

MCF The John O’Connor Memorial Award
This award is presented for editing skills, academics and publication. Sponsored by former students, this award honors the former faculty member (1978-80) and Chimes adviser who died in 1985.

MCF The Doug L. Youngs Memorial Award
This award is presented to a journalism senior who best represents the standards set by Doug Youngs, an all-American wrestler at Morrisville State College and a journalism student who was killed in an automobile accident in November 1988.

MCF The Leading Edge Award
This award honors a WCVM student, preferably in journalism, who has exhibited leadership in decision-making, personal and professional ethics, has made noteworthy contributions to the field of college student radio, and plans to pursue a four-year degree.

MCF The Neal Bandlow Spirit of the Chimes Award
Established in 2002, this award recognizes an individual who exemplifies the journalistic spirit and initiative of the former Chimes advisor who sponsors it, and for whom it is named.

MCF The Media Convergence Award
This award recognizes a journalism senior who has demonstrated talent, diversity, and excellence in service as a staff member of two Journalism production labs.

MCF The Press Club Award Prize
(Charlie Hammond Award)
For stellar achievement in the program and at Morrisville State College, this award honors the student who set an exemplary professional standard for classmates and whose academic contributions to the program represented the highest level of excellence.

MCF WCVM Media Management Award
This award, established in 2002, is presented to a WCVM manager who is not a journalism major. It recognizes student leadership and the spirit of professional collaboration in daily broadcast station operations.

SCHOOL OF SCIENCE AND TECHNOLOGY

In addition to the scholarships provided by the Morrisville College Foundation, the faculty and staff of the School of Science and Technology provide funds to support numerous additional scholarships each year. These awards are presented at an annual honors dinner.

Architecture

The Architectural Monograph Award
The faculty members of the Architectural Studies and Design program award an architectural monograph (written account of a single subject) to two deserving graduating Architectural Studies and Design students. These students are selected by Architectural Studies and Design faculty based on their academic performance, interest, dedication and personal contributions to the architectural program and to the college community. For more information, call the School of Science and Technology at 315-684-6079.

Architecture Alumni Foundation Award
This award is presented to a graduating Architectural Studies and Design major who is in good standing academically and with student affairs. For more information, call the School of Science and Technology at 315-684-6079.
Architectural Book Award
This award is given to a second-year student in the Architectural Studies and Design program who has demonstrated leadership in the studio community through academic achievement and design work, as well as service to the college community through participation in extracurricular activities.

Architectural Portfolio Award
This award is presented to a graduating student in the Architectural Studies and Design program who has created an exemplary portfolio. The winning portfolio must be an effective tool to promote the student’s work to transfer institutions and future employers. The portfolio must showcase the student’s graphic ability, creativity, understanding of the design process, design skills and the breadth and depth of their accomplishments in the Architectural Studies and Design program in a professional and aesthetically pleasing format.

Automotive

MCF The George Cuney Memorial Award
This scholarship is given to a second-year student enrolled in the automotive program. The award is in memory of the late Professor George Cuney. A minimum grade point average of 2.5 is required. Characteristics that emulate Professor George Cuney (good character, campus citizenship, campus and community involvement) will be taken into consideration.

MCF David Vockins Memorial Award
This scholarship is presented to an upper class Morrisville College student who intends to pursue a degree in an automotive technology program. The award is in memory of David Vockins, a 1967 graduate of the automotive program. The parameters for selection include merit, normal progress toward graduation, good character, campus citizenship and campus involvement. This award will be selected by college faculty.

MCF Faculty Award
This award is given to a student (in any automotive program) by automotive faculty and is based on academic achievement and good character.

Science

The Carolyn A. Thompson Memorial Scholarship
This scholarship is available to a full or part-time student who has a minimum of 30 credit hours or more at MSC with a major in the School of Science & Technology holding at least a 2.5 GPA, who is currently studying sciences (particularly biology and/or chemistry) who demonstrates outstanding personal character both in and out of the classroom. Students may apply by writing a letter of application describing how they meet the above criteria, or written nominations may also be made by faculty members. For more information, please contact the Institutional Advancement Office at 315-684-6020.

CRC Press LLC Freshman Chemistry Achievement Award
Each spring the Chemistry Department awards a current edition of the CRC Handbook of Chemistry and Physics to the student in CHEM 122 or CHEM 142 demonstrating the highest proficiency in chemistry. This handbook describes organic and inorganic compounds in detail as well as a wealth of mathematical tables, definitions, and equations describing the laws of nature. For more information, call the School of Science and Technology at 315-684-6079.

MCF Crawford Scholarship
This scholarship is given annually, at the end of the freshman year, to an outstanding returning student majoring in the traditional sciences (chemistry, biology, and physics). Selection for the scholarship is based on academic performance. The award amount varies. For more information, call the School of Science and Technology at 315-684-6079.

MCF Douglas Scholarship
Funded by former Professors Nancy and Henry Douglas, this scholarship is given annually to a senior in Mechanical Engineering Technology who shows academic excellence. Preference is given to those who complete two semesters of physics and plan to continue their education in a baccalaureate Program. Good character, campus citizenship, and campus and community involvement will also be considered in the selection process. For more information, call the School of Science and Technology at 315-684-6079.

MCF Madge Snyder Biology Award
This scholarship is presented to an upper class Morrisville College student who intends to pursue a degree in an automotive technology program. The award is in memory of faculty and staff in the School of Science and Technology, determine the recipient of the award each spring semester.

MCF Food Science and Technology Award
This fund is intended to encourage students to enroll in, or to assist students already enrolled in, one of the programs of study within the traditional sciences (biology and chemistry) with their educational expenses. The award recognizes academic achievement, financial need, interest in a career in the food processing industry, and county of residence (preference given to Madison and Monroe county residents). Returning seniors and incoming freshmen are eligible for the award. Selection is made in the spring of the year. Applications are available from the School of Science and Technology Office. The award amount varies. For more information, call the School of Science and Technology at 315-684-6079.

Engineering Technology

MCF Malcolm B. Galbreath Scholarship
This scholarship is given annually to a senior in the School of Science and Technology. The award is in honor of Malcolm B. Galbreath, the third president of Morrisville State College. Under his leadership, the Engineering Departments were started and were later incorporated into the School of Science and Technology. Preference is given to a student enrolled in the traditional engineering or sciences area who plans to continue his or her education in at a baccalaureate level. The scholarship committee, comprised of faculty and staff in the School of Science and Technology, determine the recipient of the award each spring semester.

MCF Douglas Scholarship
Funded by former Professors Nancy and Henry Douglas, this scholarship is given annually to a senior in Mechanical Engineering Technology who shows academic excellence. Preference is given to those who complete two semesters of physics and plan to continue their education at a baccalaureate level. Good character, campus citizenship, and campus and community involvement will also be considered in the selection process. For more information, call the School of Science and Technology at 315-684-6079.

MCF Mechanical Engineering Technology Faculty Award
The faculty members of the Mechanical Engineering Technology Department give this award to a student majoring in a Mechanical Engineering Technology Department program who exemplifies high academic standards and personal characteristics needed for success in the field of engineering technology.
**MCF Tony Patane Award**
This is awarded annually to a returning African-American or Latino student enrolled in the Engineering Technology curriculum. Eligible students are identified by the Dean's Office and recommended for a personal interview. The award is given during the spring semester. For more information, call the School of Science and Technology at 315-684-6079.

**Wood Products**

**W.J. Cox Memorial Scholarship**
The W.J. Cox Memorial Fund awards academic scholarships of varying amounts to students enrolled in Wood Technology majors. Preference is given to students whose parents or guardians participate in some type of coverage through W.J. Cox Associates, Inc. or New York Lumbermen’s Insurance Trust Fund. For more information, call 315-684-6049.

**MCF Greater Norwich Foundation Scholarships**
Established in 1965, The Greater Norwich Foundation has been contributing funds to the Morrisville College Foundation for scholarships which are to be awarded to students from Chenango County enrolled at Morrisville State College (both main and Norwich campus). Please contact the Nursing Department at 315-684-6049 for more information.

**MCF Homer and Ilda Abbott Nursing Scholarship**
This scholarship is available to full-time students in the Nursing program with a GPA of 3.0 or higher showing a financial need. Applicants are to be from a rural town or village and be dedicated to nursing and health related activities. Applications are available at the Office of Institutional Advancement, Brooks Hall, or call 315-684-6020 for more information.

**MCF Elizabeth Hill Award**
This award goes to a returning nursing student who is a single parent. For more information, call 315-684-6016.

**MCF Mary J. Jenks Award**
This award is named for the 1971 graduate of Morrisville State College who, as an adult student, despite having a vision impairment, built a rewarding career in the health care field. The award is given annually to a student who has completed the two-year program at Morrisville State College, has overcome hardships to realize the goal of the nursing degree, and has demonstrated outstanding attitude and achievement in the program. For more information, call 315-684-6016.

**MCF The New York State Federation of Home Bureaus, Inc.**
The New York State Federation of Home Bureaus, Inc. sponsors a Food, Hospitality, and Travel Management scholarship in honor of Florence W. Husson and a Nursing and a Dietetic Technician scholarship on behalf of Chenango County to a returning senior who meets the qualifications of scholarship, need, leadership, and residence in a county where the Federation of Home Bureaus, Inc. has an organized chapter. Call your school office for specific information.

**MCF P. Daniel Stevens Memorial Scholarship**
This fund was established in 1994 by the Canterbury Riding Club and Pony Pals, two 4-H clubs from Onondaga County, with the proceeds earned from the jointly sponsored Central New York Junior/Amateur Horse Show. The scholarship, awarded by the Office of Institutional Advancement, is named in memory of one of the original show coordinators. This scholarship is presented to a student from the Central New York area who has previous 4-H experience and is enrolled in Natural Sciences, Agricultural, or Nursing programs. Although the scholarship is renewable to allow for continuity, application will take place annually. For further information, contact the Office of Institutional Advancement, Brooks Hall, 315-684-6020. The application deadline is November 15 of each year.

**Diana Wallace Award Fund**
This is a memorial to a 1973 graduate of the nursing program. Preference is given to incoming nursing students who are graduates of Charles W. Baker High School in Baldwinsville; if no Baker alumni apply, then other Onondaga County high school graduates are eligible. Other criteria include merit, good character, and solid high school academic standing. For more information call 315-684-6016.

**Nursing**

**MCF Distinguished Nursing Student Award**
This annual award (amount varies) is given to a graduating senior enrolled in the nursing curriculum. Criteria for selection include professional attributes and leadership abilities as well as commitment to lifelong learning. Selection will be made by nursing faculty. For information, contact Nursing office, Bailey Annex, 315-684-6049.

**MCF Greater Norwich Foundation Scholarships**
Established in 1965, The Greater Norwich Foundation has been contributing funds to the Morrisville College Foundation for scholarships which are to be awarded to students from Chenango County enrolled at Morrisville State College (both main and Norwich campus). Please contact the Nursing Department at 315-684-6049 for more information.

**Mohawk Regional Dietetic Association**

**Nancy Ruhle Memorial Scholarship**
This scholarship recognizes outstanding dietetic students for their academic achievements and emerging leadership. If you know a deserving student who exemplifies these qualities, please encourage him/her to submit an application. Applications are available online in the fall and are due Feb 15. Visit www.eatrightnys.org/scholarships to apply.

**The New York State Dietetic Association**
The New York State Dietetic Association offers awards to full-time Dietetic Technician students who have completed one year in the curriculum. Applications are to be made by February 15 with the awards made in May for the following academic year. The award amount varies.

**The Academy of Nutrition and Dietetics**
The Academy of Nutrition and Dietetics offers an award competition to eligible full-time students who have completed one full year in the Dietetic Technician Program. Scholarships are awarded to students entering their second year and for students transferring to approved Academy of Nutrition and Dietetics baccalaureate programs. The award amount varies.

**MCF Arthur and Holly Hicks Award**
This award is given by the Morrisville State College Florida Alumni Chapter to a nontraditional Horticulture or Dietetics student in honor of Arthur Hicks, a graduate in 1922. For more information contact the Institutional Advancement Office at 315-684-6020. The application deadline is April 1 of each year.
NORWICH CAMPUS SCHOLARSHIPS

Adelbert L. “Del” Button Scholarship
This scholarship was established to provide opportunities for area high school or home school students to accelerate their education by taking college classes at MSC, to take courses not available at their high school, and to enable students to build a college transcript and accumulate credit towards a college degree. Qualified students may take either day or evening classes at MSC’s Norwich Campus/Roger Follett Hall. This scholarship provides 50% tuition (one half of tuition cost) for up to 4 credits per semester or term.

MCF Raymond Foundation Scholarship
This $1,000 annual MCF scholarship is awarded to incoming freshmen whose high school grades place them among the top 5% of the incoming freshmen class at the Norwich Campus. To be eligible, students must have graduated from a Chenango County High School and be enrolled full time in a degree program at the Norwich Campus. A 3.0 grade point average (GPA) and satisfactory academic progress are required to maintain the scholarship beyond the first year. The award will cover the traditional academic year and be utilized for academic pursuits in the form of tuition, fees and/or books.

MCF Roger W. Follett Foundation Nursing Scholarships
Founded in 1995, the Roger W. Follett Foundation has been contribution funds to the Morrisville College Foundation for scholarships which are to be awarded to students from Chenango County who are enrolled in the nursing program at Morrisville State College (both main and Norwich campus). Please contact the nursing department at 315-684-6049 for more information.

MCF Greater Norwich Foundation Scholarships
Established in 1965, The Greater Norwich Foundation has been contributing funds to the Morrisville College Foundation for scholarships which are to be awarded to students from Chenango County enrolled at Morrisville State College (both main and Norwich campus). Please contact the nursing department at 315-684-6049 for more information.

MCF Polly Hoag Scholarship
This MCF scholarship, established through the bequest of former student Polly Hoag, provides one award per year to a non-traditional student who best exemplifies the values and pursuit of lifelong learning.

MCF R.C. Smith Foundation Award
This award is available to non-traditional students, part-time or full-time, with a GPA of at least 2.0, studying either nursing, or business administration, or accounting, at MSC’s Norwich Campus; applications are available at the administration office in Roger Follett Hall and must be completed with a 750 word essay (approximately) answering the following question: As a non-traditional student, what impact would a financial award from The R.C. Smith Foundation have on your ability to pursue an MSC degree? Priority will go to 1) Chenango County residents or graduates of Chenango County schools. Funding may be used for tuition, fees, books, uniforms, or child care; 2) students demonstrating a financial need. Winners will be invited to lunch to meet the trustees of the R.C. Smith Foundation. Deadline to apply is August 15 of each year.
