SCHOLARSHIPS AND AWARDS

MUSTANG MERIT BASED AWARDS

All incoming applications are evaluated for academic strength, and Mustang Merit Scholarships are offered to accepted students on a rolling basis. To maximize scholarship opportunity, early applications are encouraged. Scholarship amounts are subject to change based on fund availability. To guarantee the awarded amount, students must comply with response requirements as outlined in award letters.

Academic Awards
Eligible Students: All Incoming Freshmen
Academic Awards are awarded to new and incoming students who have shown high academic achievement throughout high school. Students are awarded Academic Awards based on cumulative high school GPA, SAT/ACT scores, state exams and extracurricular activities. All completed applications for admission to the College are evaluated for academic strength, and awards are offered on a first-come, first served basis. It is important to note that qualified applicants typically exceed available merit awards so early application is encouraged. Upon award offering, a student offered a scholarship for the Fall term prior to April 30 must accept the terms of the scholarship offer by May 1, or within 30 days if the offer is received after April 1. For students offered a scholarship award prior to October 1 for Spring enrollment, the deadline for acceptance is November 1, or within 30 days if offered after October 1.

Three levels of Academic Awards are available:

- Presidential Award: Our highest award, Presidential Award winners receive $8,000 per year for a maximum of four years. The student must be enrolled full time, and maintain a minimum GPA of 3.0.
- Deans Award: This award covers the cost of in-state tuition for a maximum of four years. The student must be enrolled full time and maintain a minimum GPA of 3.0.
- Faculty Award: These awards range from $500-$3,000 a year for a maximum of four years. The student must be enrolled full time and maintain a GPA of 2.5 or higher.

For more information, please call the Admissions Office at 315-684-6046 or email admissions@morrisville.edu.

Empire State Minority Honors Award
Eligible Students: New and Continuing Students
Students with a record of high academic achievement who are from under-represented minority groups are eligible for this award funded jointly by the State University Central Office and the campus. Application is limited to New York residents enrolled in degree programs who are members of historically under-represented minorities (African American, Native American, Hispanic American, or Alaskan American).

Interstate Scholar’s Program
Eligible Students: Incoming Freshmen from Other States—Enrolled in Baccalaureate Degree Programs*

The Interstate Scholars Program awards up to ten deserving out-of-state students the opportunity to reduce their tuition costs. This merit based award provides the successful recipient $3,000 per year toward tuition and fees for a maximum of four years. All completed out-of-state applications to the College are evaluated on academic strength based on high school GPA and SAT/ACT scores. All awards are offered on a first-come, first served basis. It is important to note that qualified applicants typically exceed available merit awards so early application is encouraged. Students must be enrolled full time and maintain a minimum GPA of 2.5.

*For a student entering a 2+2 program (associates degree is required for entrance to the bachelor’s degree program), the award will be made available during the second two years of study as all MSC Associate Degree programs boast a significantly reduced rate of tuition for our out of state students. This year our non-resident student associate degree program tuition rate is reduced by approximately $4,500 when compared with non-resident tuition costs for our baccalaureate programs.

For more information, please call the Admissions Office at 315-684-6046 or email admissions@morrisville.edu.

Local Campus Award
Eligible Students: Incoming Freshmen from Madison and Chenango Counties
Morrisville State College is committed to the local communities with campuses in both Morrisville and Norwich, NY. Awarded to incoming freshmen ranked in the top 10% of their graduating class from high schools in Madison or Chenango counties, the Local Campus Award provides full tuition and fees less any Pell and Tap awards to our local freshmen in recognition of their academic merit.

Eligible applicants must submit class rank as established during their senior year of high school, and submit a FAFSA to the MSC Financial Aid office no later than March 1 of senior year.

Steps to Success Scholarship
Eligible Students: All Incoming Freshmen
Ten $500 scholarships will be awarded to new and incoming students who have shown promise during high school, but may fall slightly below the academic requirements of our merit based awards. Through academic progress and success during college, students will be able to receive a $500 increase in their scholarship per year for four years for a total of up to $5000 in award.

A minimum 2.5 GPA is required to maintain the scholarship and to qualify for increased award in the subsequent year. As with all our Mustang Merit Based Awards, Steps to Success awards are offered on a first-come, first served basis. It is important to note that qualified applicants typically exceed available merit awards so early application is encouraged.

MSC Transfer Scholarship
Eligible Students: New Transfer Students
Transfer students who have graduated with an associate’s degree and are enrolling at MSC for a bachelor degree program, may be eligible to receive up to $3000 per year for two years of study at MSC. Award recipients need to maintain a 3.0 cumulative GPA or higher while enrolled at MSC to maintain eligibility. All transfer applications will be evaluated on academic strength, and students who are active members of Phi Theta Kappa will be given preference.

FOUNDATION SCHOLARSHIPS

The following scholarships require a separate application which is available online at the Morrisville State College Website. Please provide supplemental materials with your application only if required to meet specific award criteria as noted in the description. Eligible candidates may apply for more than one scholarship using the same application.

The deadline to apply for most Foundation Scholarships is February 1 unless otherwise noted. Successful candidates will be notified March 1 prior to the start of the academic year unless a different award process is specifically indicated.

All submissions are reviewed by the MSC Scholarship Committee. In the event that no qualified applications are received, the MSC Scholarship Committee reserves the right to select a student who meets award eligibility requirements. For more information on any of the following awards or scholarships, please contact the Admissions Office at 315-684-6046 (email: admissions@morrisville.edu) or the Office of Institutional Advancement at 315-684-6020.
AWARDS AND SCHOLARSHIPS

Alumni Awards
Eligible Students: New and Continuing Students
The Alumni Legacy Awards program recognizes students whose parent(s), guardian(s), or grandparent(s) are alumni of Morrisville State College. Awards are given for the fall semester only and may be applied for each year.

Children of Employee Awards
Eligible Students: New and Continuing Students
This annual award is given to students who are attending Morrisville State College full time (at least 12 credit hours), whose mother or father are currently employed by Morrisville State College. Students must maintain a 2.5 GPA to maintain eligibility.

Morrisville State College Leadership Awards
Eligible Students: New and Continuing Students
High School Active Member of 4H, FFA, FBLA, Skills USA, Boy’s or Girl’s State, or NYS Dairy Princess
A student participant in chapter activities and member in one of the above NYS and national organization is eligible for $250 per semester. A GPA minimum of 2.5 is required to maintain the scholarship and is renewable each semester of attendance. The total value of the scholarship award for associates degree candidate is a maximum of $1000 and for a baccalaureate degree candidate the maximum award is $2000.

State or National Officer
Students who serve as a Line Officer or District President either prior to attending MSC or while enrolled are eligible for the active member $250 per semester award and an additional $1,000 per semester scholarship. A minimum GPA of 2.5 is required to maintain eligibility. The total award at the associates degree level cannot exceed $5,000 and cannot exceed $10,000 at the baccalaureate level.

Morrisville State College Technician Award
Eligible Students: Incoming Freshmen and Transfer Students
A one-time award to a maximum of $3000 will be applied to the first Fall semester bill to supplement the additional costs associated with the following programs: Agricultural Engineering Technology, Agricultural Mechanics, Diesel Technology, Automotive Technology, and Auto Body Technology. Previous academic history and financial need will be considered in determining the student’s eligibility for this award.

Raymond L. Banks Scholarship
Eligible Students: Continuing Students
This scholarship is available to a returning Morrisville State College student (in any academic program) continuing their education in a four-year program at Morrisville State College. The award is based on merit (including a GPA of 3.0 or higher, demonstrated financial need, and a combination of leadership and community service. Funds are awarded for the following academic year.

Floyd L. Beebe Memorial Award
Eligible Students: New and Continuing Students
The Floyd L. Beebe award was created by Professor Robert Beebe in memory of his father. This award recognizes a full-time student at the Morrisville campus who meet the following criteria: Academic merit – must have a 3.25 or higher cumulative GPA, show financial need, goes above and beyond, and must be enrolled in one of the following degree programs: Accounting; Agricultural Business; Agricultural Business Development; Agriculture Engineering; Agricultural Science; Automotive Technology; Automotive Technology Management; Business Administration; Computer Information Systems; Entrepreneurship and Small Business Management; Environmental and Natural Resources Conservation; Food Service Administration; Information Technology-App Software Dev; Information Technology – Electronic Mkting & Pub; Information Technology – End-User Support; Information Technology – Management; Information Technology – Network Administration; Information Technology – Web Development; Medical Office Administration; Office Administration: Management; Residential Construction; Restaurant Management; Technology Management; Teacher Education (Transfer); Wood Products Technology.

The Kurt C. and Lauretta K. Blixt Scholarship
This scholarship was created by the family of Kurt and Lauretta Blixt (Kurt, a former professor of Morrisville State College). This scholarship is available to any student attending the Morrisville campus showing financial need. Deadline to apply is April 1 of each year. Please contact Office of Institutional Advancement for more information 315-684-6020.

John “Doc” Humphrey Scholarship
Eligible Students: New and Continuing Students
This scholarship is awarded to a full-time student attending MSC at the Morrisville campus. The applicant may not be a member or relative of the Alpha Delta Mu Fraternity. A personal essay is required with the application answering the following question: How has music affected or been part of your life? A high school transcript for incoming freshmen, a college transcript for existing college students, is required with the application. Applications are available online and at the Office of Institutional Advancement, Brooks Hall. The deadline to apply is September 1 of each year. A presentation of this award to the recipient is made by the ADM group during Mustang Weekend.

KDS/Taze Huntley Memorial Scholarship
Eligible Students: New and Continuing Students
Good citizenship, academic merit, campus involvement and good character are criteria for selecting winners of this scholarship, named for the popular former faculty member.

Paul Petreikis Scholarship
Eligible Students: New and Continuing Students
This fund was established by the estate of Paul Petreikis and will be awarded to three students who meet the financial assistance requirements and academic GPA of 2.0 or higher.

Kenneth R. Spratt Memorial Scholarship
Eligible Students: New and Continuing Students
This scholarship provides one merit award per year to a student from the Central New York area who meets the financial assistance requirements. The award will cover the traditional academic year and will be utilized for academic pursuits in the form of tuition, fees, and/or books.

Technology Services Thomas A. Burt Memorial Award
Eligible Students: New Students
Technology Services is pleased to announce that we will be awarding a new Lenovo ThinkPad laptop (with standard software package) to an incoming freshman in any required laptop major. Qualified applicants must have a cumulative high school average of 85 or higher.

Applications can be printed and should be filled in completely. Student must also submit a letter of recommendation from a teacher, guidance counselor, or work supervisor. All completed applications must be postmarked no later than February 1st. All applications must be filled out by the student, including the signature and date. Incomplete applications and applications deemed not filled out by the student will not be accepted. There will be no exceptions. The award committee will review applications, make a final decision, and notify the winner by mid-August. The laptop will be awarded during Welcome Days Laptop Distribution. To keep the scholarship the student must maintain a cumulative GPA of 3.0 and remain in “Good Standing.”
Dr. Henry Washington Award
Eligible Students: New Students
Students will be nominated for the award by a committee comprised of staff from the Syracuse Educational Opportunity Center (EOC) and the College’s Educational Opportunity Program (EOP). Eligible nominees will be members of a minority group who have been enrolled at the EOC who are going to attend Morrisville State College. In the absence of an EOC student attending Morrisville, current EOP students will be eligible. The award recognizes the achievements of Dr. Henry Washington, one of Syracuse’s first black physicians and an active member of several community organizations.

SCHOOL OF AGRICULTURE, SUSTAINABILITY, BUSINESS & ENTREPRENEURSHIP

Agriculture

William L. Carr Scholarship
Eligible Students: Continuing Students
This scholarship is awarded to a full-time, second year student studying either Agricultural Engineering, Agricultural Mechanics, Agricultural Science, or Diesel Technology. This award is based on a minimum 2.5 GPA and financial need. The application is available online or at the Institutional Advancement Office, 315-684-6020. The deadline is September 1 of each year.

Crane Agricultural Scholarship
Eligible Students: Continuing Students
This scholarship is intended to encourage and reward academic achievement in selected fields of study in the School of Agriculture and Natural Resources. This scholarship is available to returning full-time students in an associate degree program with academic majors in Agricultural Engineering, Animal Science - Dairy, Agricultural Science, or Agricultural Business. The award is based on maintaining a 3.0 grade point average, extracurricular activities, financial need and interest in the agricultural field.

Marilyn and Larry Baker Scholarship
Eligible Students: Continuing Students
This scholarship recognizes a returning student who has completed a minimum of one semester of study in a business curriculum and has a GPA of 2.75 or higher. Priority will be given to students enrolled in the Information Technology Program.

Merton Evans Scholarship
Eligible Students: New Students
This scholarship is awarded annually to an incoming freshman agricultural student who shows promise to excel and succeed at college level work, demonstrates financial need, and maintains a minimum GPA of 3.0. The Evans family requests that the successful recipient communicate with them over the course of their Morrisville State College educational experience.

H.C. Hemingway & Co. Scholarship
Eligible Students: New Students
The H.C. Hemingway & Co. Scholarship is a Presidential Scholarship in the name of H.C. Hemingway and in the memory of the Hemingway family, who were prominent food processors instrumental in establishing the food processing curriculum at Morrisville State College. Four generations of Hemingways carried on the family business and the family name has long been revered in the industry not only in New York State but nationwide. The scholarship is made in the fall to an incoming freshman residential student. Criteria for the award include enrollment in Agricultural Business or Agricultural Science, a high school grade point average in the higher percentile with a high SAT score, and involvement in the community. A minimum 3.0 GPA is required to maintain eligibility.

Laura Janson Scholarship
Eligible Students: New and Continuing Students
The Laura Janson Scholarship recognizes a full-time student enrolled in their second year or higher, in an animal-science related degree at Morrisville State College, with a GPA of 3.0 or higher. A short essay is required describing how your love for other people is affected by your love of animals, along with your experiences in caring for the animals’ needs (from daily barn duties to the extra care/effort you have given to animals). Deadline to apply is April 1 of each year.

I.L. Richer Scholarship
Eligible Students: New and Continuing Students
This scholarship provides one merit award per year to a student enrolled in an agricultural program who meets financial assistance requirements. The award will cover the traditional academic year and be utilized for academic pursuits in the form of tuition, fees and/or books.

P. Daniel Stevens Memorial Scholarship
Eligible Students: New and Continuing Students
This fund was established in 1994 by the Canterbury Riding Club and Pony Pals, two 4-H clubs from Onondaga County, with the proceeds earned from the jointly sponsored Central New York Junior/Amateur Horse Show. The scholarship is named in memory of one of the original show coordinators. This scholarship is presented to a student from the Central New York area who has extensive 4-H experience and is enrolled in Natural Sciences, Agricultural, or Nursing programs.

Dairy

Dave Crowley Memorial Scholarship
Eligible Students: New Students
Awarded annually by the Morrisville Dairy program and the Crowley family to an incoming freshman who has been accepted into the dairy program; is a graduate of Red Jacket High School (part of the Manchester-Shortsville School District), and who is a resident of Ontario County involved in the 4-H program. If no candidate meets those requirements, the student can be a freshmen accepted into the Information Technology program in addition to meeting the other criteria.

Diesel Technology

Southworth-Milton/Caterpillar Excellence Scholarship
Eligible Students: New and Continuing Students
Since 1998, both Caterpillar Inc. and Southworth-Milton contributed to a scholarship fund which is given to two freshmen and two seniors. These scholarships provide merit awards to students in the Agriculture Engineering or Diesel Technology program who meet educational and financial assistance requirements. For further information contact the Admissions Office, 315-684-6046. The application deadline is June 15 for first-year students and September 1 for second-year students.

Central New York Chapter of the American Truck Historical Society Scholarship
Eligible Students: Continuing Students
All individuals who are enrolled in the two-year diesel technology program as full-time students are eligible to apply for this scholarship. A combination of financial need and a minimum GPA of 2.5 are required. The student and a guest are invited to attend the Chapter’s Annual Dinner in January.
Environmental Sciences

Jeffrey Dale Beach Memorial Scholarship
Eligible Students: Continuing Students
This award is given to a student entering his or her senior year who has completed their freshman year in Equine Science. GPA is not considered for eligibility.

Kenneth Spafford Willey, Jr. Memorial Scholarship Fund
Eligible Students: Continuing Students
This scholarship is awarded annually to one Morrisville State College student who is pursuing a degree in a Natural Resource Conservation/Wildlife Management or related environmental science area of study. Selection criteria include merit, progress toward a degree, good character, campus citizenship and campus involvement.

Equine Studies

Richard Bartlett Scholarship
Eligible Students: Continuing Students
This scholarship recognizes a deserving student who has completed their freshman year in Equine Science. GPA is not considered for eligibility.

Big Apple Deli/Equine Repro Award
Eligible Students: Students in their senior year during internship
This scholarship recognizes students enrolled in their senior year of the Equine Science B.F. program at Morrisville State College (during their internship). Applicants must include an essay describing what experiences you feel have benefited you the most about the MSC equine breeding program. Applications are available online or at the Institutional Advancement Office, Brooks Hall, or call 315-684-6020. Deadline to apply is November 15 of each year.

Canterbury Stables Equine Scholarship
Eligible Students: New and Continuing Students
This scholarship is awarded to an eligible student in a Morrisville State College baccalaureate of technology degree in Equine Science. Priority will be given to those who can articulate the importance of horse management and care. Three references are required and may be obtained from any of the following: your trainer, coach, a horse-owner you have worked with, or a previous or current employer (not including family members). Applications must include a 300 word essay describing the importance of horse management/care and the impact it has on your sport horse's health and performance.

Bridget Kate Publicover Scholarship
Eligible Students: Continuing Students
This scholarship is awarded to a student in their sophomore or junior year, majoring in equine with a GPA of 3.0 or higher. The successful candidate should be involved in extra-curricular activities or clubs, and submit an essay describing why he/she has decided to pursue a career with horses.

Nancy Sears Stowell Memorial Award
Eligible Students: Continuing Students
This scholarship honors the woman who started the equine program at Morrisville in the late 1960s. It is presented annually to a senior student who has exhibited great interest, dedication, ability and desire to pursue a career in equine studies.

Horticulture

John Alden Haight Memorial Scholarship for Horticulture
Eligible Students: Continuing Students
Based on a faculty recommendation, the John Alden Haight Scholarship is presented to a second-year student who has contributed significantly to the Horticulture Department. The scholarship is funded by donations in memory of John Alden Haight and by donations to the Horticulture Department Scholarship Fund. No application is necessary.

Art & Holly Hicks Scholarship
Eligible Students: Continuing Students
This annual award is given by the Morrisville State College Florida Alumni Chapter to a non-traditional Horticulture or Dietetics student who shows academic achievement, citizenship, and campus involvement.

Accounting

The Accounting Excellence Award
Eligible Students: Continuing Part-Time Students
This annual award will be given to a part-time student pursuing a career in accounting. The applicant must maintain a grade point average of 3.0 or higher.

Nancy Ambrose Memorial Scholarship
Eligible Students: Continuing Students
This scholarship is named for a former Morrisville College Foundation board member and provides one merit award per year to a second-year accounting student who meets the financial assistance requirements, has completed one year at Morrisville State College and holds a grade point average of 2.5.

R. Bruce Wise Memorial Scholarship
Eligible Students: Continuing Students
Named for the longtime accounting professor at Morrisville, this award recognizes the achievement of a student in the accounting program. The winner must have completed the first year at Morrisville and be registered for the second year, must show scholarly ability and acceptable levels of maturity, and must not have received any other award from the Morrisville College Foundation.

Food Service Administration, Hospitality, and Travel

The Thomas V. Ciarrocchi Scholarship
Eligible Students: Continuing Students
Given by this member of the Class of 1947, this scholarship rewards a student for academic achievement, good moral character, leadership, and interest in a food service vocation. A faculty committee chooses the annual recipient.

Bert Hundredmark Scholarship
Eligible Students: Continuing Students
This scholarship was created in memory of Bert Hundredmark who passed away after 41 years of service to the college as Assistant Professor, Food Service Administration. This award is available to Hospitality Technology major students and will be chosen by the faculty of that program.

The NYS Hotel Motel/Matt Morgan Scholarship
Eligible Students: Continuing Students
This scholarship, named for the college council member who endowed the fund, is awarded to a hospitality technology student based on faculty recommendation.
Class of 1916 Rosebrooks Scholarship Fund
Eligible Students: Continuing Students
This fund was started by Mrs. Lounette Curnalia Rosebrooks on behalf of herself and her graduating class of 1916. This award is given annually to a student in Institutional Food Management, Restaurant Management, or Food Service Administration.

The Laura L. Symonds Scholarship
Eligible Students: Continuing Students
This scholarship is awarded to Morrisville State College food service students pursuing a career in the food service industry or a related field.

SCHOOL OF LIBERAL ARTS

The Art W. and Doris Roberts Scholarship
Eligible Students: Continuing Students
This scholarship recognizes a returning full or part-time student who has completed a minimum of one semester of study in a School of Liberal Arts curriculum.

SCHOOL OF SCIENCE, TECHNOLOGY, AND HEALTH STUDIES

In addition to the scholarships provided by the Morrisville College Foundation, the faculty and staff of the School of Science and Technology provide funds to support numerous additional scholarships each year. These awards are presented at an annual honors dinner.

Automotive

The George Cuney Memorial Award
Eligible Students: Continuing Students
This scholarship is given annually to a second-year student enrolled in the automotive program. The award is in memory of the late Professor George Cuney. A minimum grade point average of 2.5 is required. Characteristics that emulate Professor George Cuney (good character, campus citizenship, campus and community involvement) will be taken into consideration.

David Vockins Memorial Award
Eligible Students: Continuing Students
This scholarship is presented to an incoming or upper class Morrisville College student who intends to pursue a degree in an automotive technology program. The award is in memory of David Vockins, a 1967 graduate of the automotive program. The parameters for selection include merit, progress toward graduation, good character, campus citizenship and campus involvement.

Computer and Information Technologies

Marilyn and Larry Baker Scholarship
Eligible Students: Continuing Students
This scholarship recognizes a returning student who has completed a minimum of one semester of study in a business curriculum and has a GPA of 2.75 or higher. Priority will be given to students enrolled in the Information Technology Program.

Robert A. Capparelli Memorial Award
Eligible Students: New Students
This annual scholarship is awarded to a graduate of Madison-Oneida BOCES who plans to enter a program in Computer Information Systems at Morrisville. Recipients must show successful completion of their high school program, demonstrate good character and citizenship, and be actively involved in their school. A minimum GPA of 2.0 is required to maintain eligibility.

Office Technology

Beverly and David McKay Office Technology Award
Eligible Students: Continuing Students
This award is funded by a former Office Technology teacher and department chairperson and her husband. Applicants must be full-time Office Technology students with at least one full semester remaining at Morrisville State College, hold a GPA of 2.75, and demonstrate their written communication skills.

Science

Art & Holly Hicks Scholarship
Eligible Students: Continuing Students
This annual award is given by the Morrisville State College Florida Alumni Chapter to a non-traditional Horticulture or Dietetics student who shows academic achievement, citizenship, and campus involvement.

The Carolyn A. Thompson Memorial Scholarship
Eligible Students: Continuing Students
This scholarship is given annually, at the end of the freshman year, to an outstanding returning student majoring in the traditional sciences (chemistry, biology, and physics). Selection for the scholarship is based on academic performance. The award amount varies and is selected by faculty members.

Crawford Scholarship
Eligible Students: Continuing Students
This scholarship is awarded annually, at the end of the freshman year, to an outstanding returning student majoring in the traditional sciences (chemistry, biology, and physics). Selection for the scholarship is based on academic performance. The award amount varies and is selected by faculty members.

Madge Snyder Biology Award
Eligible Students: Continuing Students
One merit award is given annually to a returning student in good academic standing who is majoring in one of the following: Biology, Health-Related Studies, Sports Nutrition and Fitness Management or Human Performance and Health Promotion. Evidence of good character and solid citizenship is also recognized by this award and is selected by a faculty committee.

Food Science and Technology Award
Eligible Students: New and Continuing Students
This fund is intended to encourage students to enroll in, or to assist students already enrolled in, one of the programs of study within the traditional sciences (biology and chemistry) with their educational expenses. The award recognizes academic achievement, financial need, interest in a career in the food processing industry, and county of residence
Eligible Students: Continuing Students

Nursing Scholarships

related activities are to be from a rural town or village and be dedicated to nursing and health programs with a GPA of 3.0 or higher showing a financial need. Applicants who have completed the two-year program at Morrisville State College, and who has overcome hardships to realize the goal of the nursing degree, and has evolved as an adult student, despite having a vision impairment, built a rewarding career in the health care field. The award is given annually to a student who has completed the two-year program at Morrisville State College, and to enable students to build a college transcript and accumulate credit towards a college degree. Qualified students may take either day or evening classes at MSC, to take courses not available at their high school, or home school students to accelerate their education by taking college classes at MSC’s Norwich Campus/Roger Follett Hall. This scholarship was established to provide opportunities for area high school or home school students to accelerate their education by taking college classes at MSC, to take courses not available at their high school, and to enable students to build a college transcript and accumulate credit towards a college degree. Qualified students may take either day or evening classes at MSC’s Norwich Campus/Roger Follett Hall. This scholarship provides 50% tuition (one half of tuition cost) for up to 4 credits per semester or term.

Eligible Students: New and Continuing Students

Funded by former Professors Nancy and Henry Douglas, this scholarship is named in memory of one of the original show coordinators, Pals, two 4-H clubs from Onondaga County, with the proceeds earned from the annual show sponsored by the Greater Norwich Foundation. This scholarship is named in honor of Malcolm B. Galbreath, the third president of Morrisville State College. Under his leadership, the Engineering Departments were started and were later incorporated into the School of Science and Technology. Preference is given to a student enrolled in the traditional engineering or sciences area who plans to continue his or her education at a baccalaureate level. Good character, campus citizenship, and campus and community involvement will also be considered in the selection process.

Eligible Students: New Students

The award is given during the spring semester.

SCHOLARSHIPS

NORWICH CAMPUS SCHOLARSHIPS

Adelbert L. “Del” Button Scholarship

Available to returning full-time students in the Nursing curriculum. Eligible for students in the nursing program at Morrisville State College (both Morrisville and Norwich campus).

Eligible Students: New and Continuing Students

Established in 1965, The Greater Norwich Foundation has been contributing funds to the Morrisville College Foundation for scholarships which are to be awarded to students from Chenango County who are enrolled in the nursing program at Morrisville State College (both Morrisville and Norwich campus) who have demonstrated excellence in clinical and academic performance.

Eligible Students: Continuing Students

This scholarship goes to a returning nursing student who is a single parent pursuing a degree in the health professions.

Eligible Students: New and Continuing Students

This MCF scholarship, established through the bequest of former student Polly Hoag, provides one award per year to a non-traditional student who best exemplifies the values and pursuit of lifelong learning.

Eligible Students: Continuing Students

This award is named for the 1971 graduate of Morrisville State College who, as an adult student, despite having a vision impairment, built a rewarding career in the health care field. The award is given annually to a student who has completed the two-year program at Morrisville State College, has overcome hardships to realize the goal of the nursing degree, and has demonstrated outstanding attitude and achievement in the program.

Eligible Students: New and Continuing Students

This scholarship is presented to a student from the Central New York area who has previous 4-H experience and is enrolled in Natural Sciences, Agricultural, or Nursing programs.

Eligible Students: New and Continuing Students

freshmen class at the Norwich Campus. To be eligible, students must have graduated from a Chenango County High School and be enrolled full time in a degree program at the Norwich Campus. A 3.0 grade point average (GPA) and satisfactory academic progress are required to maintain the scholarship beyond the first year. The award will cover the traditional academic year and be utilized for academic pursuits in the form of tuition, fees and/or books.

R.C. Smith Foundation Award
Eligible Students: Continuing Students
This award is available to non-traditional students, part-time or full-time, with a GPA of at least 2.0, studying either nursing, or business administration, or accounting, at MSC’s Norwich Campus; applications are available at the administration office in Roger Follett Hall and must be completed with a 750 word essay (approximately) answering the following question: As a non-traditional student, what impact would a financial award from The R.C. Smith Foundation have on your ability to pursue an MSC degree? Priority will go to 1) Chenango County residents or graduates of Chenango County schools. Funding may be used for tuition, fees, books, uniforms, or child care; 2) students demonstrating a financial need. Winners will be invited to lunch to meet the trustees of the R.C. Smith Foundation.

MORRISVILLE AUXILIARY CORPORATION AWARDS

Austin Sawyer Scholarship
Eligible Students: New Students
A scholarship to Morrisville State College will be awarded to an entering freshman that is the child, stepchild or spouse of a full or part-time MAC employee (excluded temporary, college and high school part-time students). The criteria used in awarding the scholarship will be high school rank in class, a recommendation from the high school principal, teacher or advisor and a personal interview with representatives of the Board of Directors. Optionally, standardized test scores (SAT/ACT) may be used as a tiebreaker. The scholarship will be awarded for one year with one half the amounts distributed each semester. The scholarship will be renewed once, providing the student has maintained a minimum grade point average of 2.0 while enrolled for a minimum of twelve (12) credits per semester during the year. Thus one half of the annual income will be awarded each year to an entering student and to a returning student. Contact the MAC Human Resources Department for additional information.

Calvin Dunkle Book Awards
Eligible Students: New and Continuing Students
The Morrisville Auxiliary Corporation offers bookstore credits, known as Calvin Dunkle Awards, to both full- and part-time students. Students with a minimum grade point average of 2.0 are eligible to apply. Scholarship recipients are selected by the MAC Awards Committee. Criteria for the awards include other scholarship information, college or public service and citizenship. Applications can be obtained from the Morrisville Auxiliary Corporation, 315-684-6047.

The Child Care Scholarship Award
Eligible Students: New and Continuing Students
Awarded to a Morrisville State College student that has a child enrolled at The Children’s Center, students are selected based on a set of criteria that include household income, family size, academic transcripts and course schedule. The application process is handled by the Director of the Children’s Center and the final selection is made by the MAC Board of Directors.

The Thinkpad Award
Eligible Students: Continuing Students
The ThinkPad Award is offered in the spring semester to a second semester freshman with at least a B average in high school and an overall GPA at Morrisville State College of 3.3 or higher. The winner is chosen by the MAC Awards Committee, and receives a free IBM/Lenovo ThinkPad laptop. If the student already has an IBM/Lenovo ThinkPad laptop, their account will be credited and marked paid in full. Applications can be obtained from the Morrisville Auxiliary Corporation, 315-684-6047.
