

The tutors and their hours are listed under the subjects (alphabetically) and by the specific course numbers they can tutor.

Students have two options for working with face-to-face tutors:

- book an appointment at least 24 hours in advance or
- drop in on shorter notice without an appointment.

Tutoring appointments are booked using Starfish. Available appointment times will show only 24 hours and further into the future. If you need help on shorter notice, check the schedule to see when a tutor is next scheduled to be in for your course and drop in at that time. You will be helped first-come, first-served after any students with appointments are helped.

How to Book a Tutoring Appointment:

To work on the **subjects/topics/content** (information, concepts, and ideas) of a course, **follow these steps to book an appointment** with a face-to-face tutor:

1. Log in to Starfish.
2. Go to your Courses page.
3. Find the course you want to work on.
4. Click the **Schedule Appointment** link in the “**Tutoring Center—Morrisville Campus**” service box next to that course.
5. Follow the steps to select an appointment time and confirm the booking. You will receive an email confirming that your appointment has been booked. The appointment will also show on your Starfish Upcoming page (where you can later cancel it using the three dots if you cannot keep the appointment).

To work on a **writing or reading assignment** (essay, research paper, analyzing a scholarly article, etc.) **for any course** except a foreign language, **follow these steps to book an appointment** with a face-to-face tutor:

1. Log in to Starfish.
2. Go to your Courses page.
3. Find the course for that writing/reading assignment you want to work on.
4. Click the **Schedule Appointment** link in the “**Writing Tutoring, Tutoring Center—Morrisville Campus**” service box next to that course.
5. Follow the steps to select an appointment time and confirm the booking. You will receive an email confirming that your appointment has been booked. The appointment will also show on your Starfish Upcoming page (where you can later cancel it using the three dots if you cannot keep the appointment).

If you don't see any available appointment times in Starfish, we may not have tutors for that class, or the tutor(s) may be completely booked. Check the Tutoring Schedule below to be sure. If you don't see what you need, submit the Tutoring Request Form on the [Tutoring Schedule web page](#). If you would like to have a small group tutoring session with more than one other classmate, please also submit the Tutoring Request Form. You may also email TutoringCenter@morrisville.edu or stop by the center to make your requests.
