

Tutoring Schedule

Spring 2025

effective 6 April 2025

Please see the tutors and their hours below. They are listed under the subjects and by the specific course numbers they can tutor. “TBA” means “to be announced.” Days of the week are abbreviated as Su, M, T, W, R, and F (tutoring is unavailable on Saturdays).

Students have two options for working with tutors:

- book an appointment at least 24 hours in advance

OR

- drop in on shorter notice without an appointment (first check the Tutoring Schedule for tutor availability). Students who drop in are helped after students with appointments are helped.

These are the steps to schedule a tutoring appointment:

1. Log into your Starfish account.
2. Go to your Courses page.
3. Find the Tutoring Center—Morrisville Campus and Writing Tutoring, Tutoring Center—Morrisville Campus service boxes with that course and choose as follows:
 - a. For help with course content/subjects/topics, click Schedule Appointment in the Tutoring Center box, OR
 - b. For help with a writing or reading assignment in that course (except foreign languages), click Schedule Appointment in the Writing Tutoring box.
4. Follow the rest of the steps to book a tutoring session. The last step is to click the Confirm button. After that, you will receive an email notifying you that your appointment has been booked. The appointment will also show on your Starfish Upcoming page (where you can later cancel it using the three dots if you cannot keep the appointment).

Please remember that appointment times in Starfish will only show for 24 hours and further into the future. If you don't see any available appointment times in Starfish, we may not have tutors for that class, or the tutor(s) may be booked entirely (or there could be a computer glitch). Check the Tutoring Schedule below or online to see if we have tutors for your course. If you don't see what you need, submit the Tutoring Request Form on the [Tutoring Schedule web page](#). If you would like to have a small group tutoring session with other classmates, please also submit the Tutoring Request Form. You may also email TutoringCenter@morrisville.edu if you have questions or stop by the center for help. We are happy to demonstrate how to use Starfish to schedule tutoring appointments and assist with technical problems!
